E-SIGN Disclosure and Consent

for the Atlanta Gold & Coin Vendor / Seller Application Agreement

FEDERAL ESIGN DISCLOSURE AND CONSENT • PLEASE READ CAREFULLY

The following disclosures are required by the federal Electronic Signatures in Global and National Commerce Act, 15 U.S.C. § 7001 et seq. ("ESIGN"). These disclosures apply if you wish to complete your application and conduct business with Atlanta Gold & Coin ("AGC," "we," "us," or "our") electronically. You may record your consent by checking the "I AGREE" box and signing in the Acceptance section at the end of this document, either electronically or on paper.

1. Electronic Delivery and Scope of Communications

This E-Sign Disclosure and Consent Agreement ("Agreement") must be acknowledged and accepted by every dealer, vendor, and seller (and each authorized representative) completing the AGC Vendor / Seller Application and account agreement (the "Application") for any AGC services, including selling precious metals to AGC and, where approved, purchasing precious metals from AGC (collectively, the "Services"). Please read this Agreement carefully and print or download a copy for your records.

By checking "I AGREE" and signing below, you consent to receive the following from AGC electronically (collectively, "Communications"):

- The AGC Vendor / Seller Application and account agreement, and any amendments to them;
- The Seller Terms & Buyer Protection Agreement and other terms and conditions governing the Services;
- Daily dealer bid sheets, pricing communications, and trade confirmations;
- Settlement, payment, and shipping or receiving notices;
- IRS forms and tax documents, such as Form W-9 requests and Form 1099-B;
- Account statements and transaction activity;
- Policies (including privacy policies), disclosures, and notices; and
- Other communications and documents related to the Services.

2. System Requirements

To access and retain Communications electronically, you will need:

- A computer, tablet, or smartphone with Internet access;
- A current, supported version of Google Chrome, Apple Safari, Microsoft Edge, or Mozilla Firefox, with standard security (encryption) features enabled;
- Software that can open and view PDF files (for example, Adobe Acrobat Reader or a browser's built-in PDF viewer);
- A valid email address that you check regularly; and
- A printer, or enough storage space to save copies of Communications for your records.

Your ability to open and read this Agreement electronically demonstrates that you can access and retain Communications in the formats AGC uses. If these requirements change in a way that creates a material risk that you will not be able to access or retain Communications, AGC will notify you of the revised requirements and of your right to withdraw your consent without charge.

3. Paper Delivery of Disclosures

You have the right to receive a paper copy of this Agreement, the Application, and any other Communication. To request a paper copy, contact AGC using the information in Section 5. AGC will provide paper copies at no charge. You may also print any Communication directly from your browser or PDF viewer.

4. Current Email Address

As part of the Application, you must provide AGC with a valid, current email address. If your email address changes, you must promptly notify AGC in writing at wholesale@atlantagoldandcoin.com. AGC will send Communications to the most recent email address you have provided.

5. How to Withdraw Consent

You may withdraw your consent to receive Communications electronically at any time, at no charge, by notifying AGC in writing at either of the following:

Email	wholesale@atlantagoldandcoin.com
Mail	Atlanta Gold & Coin, 8480 Holcomb Bridge Road, #200, Alpharetta, GA 30022
Questions	(404) 236-9744

Please include your name, company name, and the email address on file. Your withdrawal will take effect after AGC has had a reasonable time to process it, and will apply to Communications issued after that date. Withdrawal does not affect the legal validity or enforceability of Communications delivered electronically before it takes effect. After you withdraw consent, AGC will send Communications to you in paper form at no charge. Because daily bid sheets and other time-sensitive Communications are distributed electronically, paper delivery may be slower, and AGC may be unable to provide certain time-sensitive Communications in paper form.

6. Communications in Writing

All Communications that AGC provides to you electronically will be considered "in writing" and will have the same effect as if provided on paper. You should print or download a copy of this Agreement and any other Communication that is important to you.

7. Federal Law

You acknowledge and agree that your consent to receive Communications electronically is provided in connection with a transaction affecting interstate commerce that is subject to ESIGN, and that you and AGC both intend that ESIGN apply to the fullest extent possible to validate our ability to conduct business with you by electronic means.

8. Termination / Changes

AGC reserves the right, in its sole discretion, to discontinue providing Communications electronically, or to terminate or change the terms and conditions on which it provides Communications. AGC will notify you of any such termination or change as promptly as reasonably practicable.

9. Acceptance and Consent

- I have read, understand, and agree to be bound by the terms of this Agreement, and I consent to receive Communications as described above. I understand that I may incur costs, including Internet service and data charges, in accessing or viewing Communications.

- I further agree that AGC is not required to provide me with a paper copy of this Agreement or any Communication unless I specifically request one, in which case AGC will provide it at no charge.
- I confirm that I am authorized to give this consent on behalf of the company named below.

Please print or download this Agreement and other Communications and keep them in a safe place. You can print using the “Print” button on the screen (where available), your browser’s print function, or the print feature of your PDF viewer.
